TANKS AT BAN BAN MILITARY DEPOT, LAOS

25X1D [REDACTED] shows 25 tanks at the Ban Ban Military Depot (19-38N 103-34E) in Laos. Ban Ban is located on Route 7, approximately 40 nm west of the Laotian-North Vietnam border and 26 nm northeast of Xieng Khouang.

Three of the tanks have been identified as Soviet-built PT-76 amphibious tanks while the remaining 22 are probable PT-76's.

In addition to the tanks, 2 field artillery pieces, 38 probable 5-ton trucks, 44 probable 2.7-ton trucks, and approximately 15 other trucks were observed at the Ban Ban depot.
